# DE HAVILAND DH 100 VAMPIRE ITALIAN VERSION - SET 1 CAVALLINO RAMPANTE AEROBATIC TEAM 1:48 SCALE

Utilizzabili per i seguenti modelli - Suitable for the following model kits:  
DH.100 VAMPIRE: Airfix, Hobbycraft, Trumpeter

Alcuni velivoli avevano sulla coda lo stemma del Cavallino con sfondo bianco come soggetto 4, ma non si è potuto accertare che codice di fusoliera e matricola avessero. Some aircraft had the Horse emblem on the tail with a white background as subject 4, but it was not possible to ascertain what fuselage code and serial number they had.

4° Stormo - Pattuglia Acrobatica Cavallino Rampante  
1950-1952

Le scritte di servizio (data stencillings) che sono presenti su questo foglio decal, sono state ricavate da un disegno originale e sono quelle più comuni usate per questo velivolo. Da varie fotografie risulta che vari Vampire italiani avevano delle scritte con disegno differente, probabilmente fatte in reparto dopo le normali revisioni.

The data stencillings of the Italian Vampires, that are included in this decal sheet, have been obtained by an original drawing and are the most common for this plane, in many pictures show the Vampires will different stencils, probably made in the air detachment after revisions.

Per eseguire le strisce nere consigliabile usare il foglio decal Touro monocoloro nero TM418 e tagliare delle strisce a misura. To make the black stripes we suggest the decal Touro item No TM418 and cut stripes of right measure.

Si avvisa il modellista che, per ragioni tecniche, non è possibile stampare i colori identici a quelli reali, perciò si deve tener conto dei colori indicati sulle didascalie. We advise the modellers that, for technical reasons, it's not possible to print the colours of the drawings exactly to the real colours, therefore, it's well to follow the indications.

Queste decalcomanie sono stampate con stampante laser, di conseguenza il toner dei colori non è abbastanza coprente. Si devono prima applicare le decalcomanie di fondo bianco e poi applicare quelle definitive.

These decals are laser printed, so the color toner is not covering enough. You must first apply the white background decals and then apply the definitive ones.
